# MONTHLY PROGRESS REPORT

## Reporting Period: 11/25/2017 – 12/29/2017

<b>TDD No.:</b>	<b>0001/18-090</b>	<b>Weston Solutions, Inc.</b>	
<b>Site Name:</b>	<b>Wood Treater Discovery Project</b>	<b>Contract No.:</b>	<b>EP-S5-17-02</b>
<b>SSID:</b>	<b>0600</b>	<b>TDD Ceiling:</b>	(b) (4)
<b>Activity:</b>	<b>Pre-CERCLIS Screening</b>	<b>Invoiced to Date:</b>	(b) (4)
<b>City/County:</b>	<b>Texas and Louisiana Gulf Coast</b>	<b>Invoiced this Period:</b>	(b) (4)
<b>State:</b>		<b>% Budget Incurred:</b>	(b) (4)
<b>Task Monitor:</b>	<b>Brenda Cook</b>	<b>Scope of Work Mgr:</b>	<b>Jeff Criner</b>

1. Progress Made This Reporting Period:

- START maintained communication with the EPA TM regarding scope, schedule and budget.
- START reviewed the table of historical Wood Treater's sites and determined the additional Texas/Louisiana sites that require visitation and documentation via a windshield survey, and which sites can be considered clean.
- START began preparing a cost estimate to complete the task of conducting windshield surveys of any remaining sites in Texas/Louisiana.

2. Deliverables:

<b>Deliverables</b>	<b>Date Delivered</b>
N/A	

3. Anticipated Tasks Remaining:

- START will complete the cost estimate to complete windshield surveys and reporting on the additional Wood Treater's sites.
- START will conduct the remaining windshield surveys following direction from the EPA TM.
